

Richmond Smiles is a collaboration between the Virginia Department of Health, Capital Area Health Network, and the Richmond City Health District with a mission to provide emergency care and initial entry into dental care for residents that do not have access to routine dental health services.

The Richmond Smiles program offers uninsured Richmond residents a mobile, affordable and easily accessible way to obtain dental care at a reduced fee for dental services. **FEES are due at time of service: CASH ONLY.**

Dental services are provided first-come-first-served. A full range of dental care is offered. Typical service fees for cleaning start at \$25. Exam and bitewing (x-rays): \$32; extractions start at \$59. Fillings range from \$30-60 depending on the type of filling.

**Bringing dental
healthcare to
YOU!**
